

## Dewar COEHS Advisory Council Meeting Documentation Form

**Advisory Committee Name:** FLED Advisory Council

**Associated Department:** MCL

**Associated Program(s):** FLED/ESOL

**Chairperson/Responsible Contact:** Dr. Ransom Gladwin

**Date:** Fall 2014

**Attendees/Organizations Represented (indicate all guests, proxies, and their affiliations):**

2 responses from members. They did not want their names in the minutes.

**Data/Information Discussed:**

Issues with the implementation of EdTPA

**Specific Partner Input and Recommendations for Program Improvement:**

A master list to clarify the new assignments vs. the old assignments that are now part of student teaching.

**Other Meeting Outcomes:**

We have not found a successful way to meet as an Advisory Council. FLED meetings were open to the Advisory Council, with a segment dedicated to Council items. However, day meetings don't work for many members and then night meetings don't work for another group. We will explore an online option like Go-To-Meeting.

**Means by Which Partner Input was Solicited** (Check as many as apply):

Discussion     Questionnaire     Survey     Email     Other (Please specify below)

**What specific actions will be taken as a result of the meeting and input of the advisory partners?**

We need to focus on the success of our program. We plan to have a celebration of this year's student teachers and all FLED students in April. This will be sponsored by the Advisory Council.
